McCANN'S MESSAGE

We would like to welcome everyone back to Clarence Park this weekend for our FA Trophy tie against Bury Town. Following a period where we had three games in eight days, it has been nice to get back out on the training pitch for two sessions in the midweek, and the players and I are well prepared and ready for this fixture. After two successive games away from home, it is nice to be back out in front of the Saints fans for what I am hoping will be a good performance from the team.

Our last game here was the 4-0 win over Three Bridges in the league. There were some outstanding individual performances in that game, and when you combine that with our high work rate and energy, the result tends to follow. I thought we did well to dictate the tempo of the game; being aggressive when we needed; being more measured when we wanted to take control. Our experience really showed in this one, and the result was a deserved clean sheet and a resounding win.

After the game against Three Bridges, I highlighted the importance of gaining maximum

points before we head into the two-week cup break. So, I have to say that our midweek result at Cray Wanderers was not the perfect return. It felt like two points had been lost. I was impressed with the way the lads fought back and found a response to a disappointing start to the second half, but our game management was lacking to get the result over the line. After getting back in front, we gave up far too many chances, and a few lapses in concentration at the end of the game gave them a chance to equalise, which they did, and it was probably deserved. It's a frustrating result, but one that I hope we can respond to in a couple of weeks when the league games kick off again.

The FA Cup match against Witham was a tough one, but I had said before the game that I expected it to be. Whenever you draw away from home in the cup, you know that the opposition are going to bring the best versions of themselves, especially if they are in the lower divisions. Witham was a tough place to play - on a surface that we were not used to; I thought we managed the game very well in this case. We saw the game out nicely, which was an

improvement on our outcome during the week - I was also pleased to see us get our fourth clean sheet in five games. As of the time of writing this, I'm not sure who our opponents will be in the next round, but all we can do is hope the draw is kind to us and then prepare for whatever challenge is put in front of us.

I'm sure many of you want to know what sort of shape the squad is in after a busy period, and I can tell you we have had a pretty testing time over the last couple of weeks. In the week before travelling to Witham - Zane had come down with an illness; we had named him in the squad in the hope that he was ready for Saturday, but when matchday rolled around, he was in no fit state to head out there. Similarly, with Mikey, he had picked up a knock during the week, and it was going to be a late decision on the day, but in the end we opted to rest him. We are hoping to have both of them back for the weekend, but as always, these decisions will be made closer to the time. And finally, we are still missing Keiran for the time being. He has made some real improvements over the last week or so, and we are hoping that he isn't out for too much longer. Charlie Edwards has now departed the club. His lack of game time being an issue. I must emphasise that like with all the squad... Your either all in commitment wise or not at all.

Bury are a good side and have made a flying start to the season. I am expecting them to make it difficult for us today, but we are hoping to match that and give them an equally challenging game. It will be great to see you all back at the Park today, in great voice as usual.

MATCH REPORT

CRAY WANDERERS 3 ST ALBANS CITY 3

Isthmian League - Premier Division
Tuesday 15th September 2026 - Attendance: 419

St Albans City FC settled for a point in South-east London on Tuesday night following a 90+5 minute equaliser for Cray Wanderers.

Following a four-goal victory against Three Bridges FC the weekend prior, the Saints looked to carry their winning momentum into the midweek clash.

A double change was made by the Saints - Lewis Page taking the place of Zak Sowden-Fletcher on the left side of defence.

Kai Brown also returned to the starting XI after scoring off the bench the Saturday previously - replacing Sam Ayolie.

Brown's early goal set the tone for the match; Brown pounced on at the goalkeeper's miskick, allowing the striker to slot the ball into an empty net.

The Wands enjoyed spells of possession and some close-cut chances, Donkin was on hand to keep the Saints in the lead at the break.

Despite the first half defence efforts - Cray Wanderers scored seconds after the restart; the hosts found their equaliser through Jakob Lowe.

Just five minutes later, the Wanderers completed the turnaround; Soul Krader scored from close range to take the lead.

With the Saints now trailing, things went from bad to worse as Lewis Page went down injured; Zac Sowden-Fletcher came on to replace the left back.

However, the substitute made an instant impact as Sowden-Fletcher brought the Saints level; the full-back's effort from a few yards out was initially blocked before falling back into his path - he fired home and gave the travelling Saints fans something to celebrate.

An end-to-end game had more goals coming its way - in the 84th minute the Saints delivered.

Darion Furlong got on the end of Alex Dyer's whipped free-kick, heading into the ground and netting what seemed to be the winner.

The home side had other plans; Sam Donkin was tested once again and pulled off an almighty stop before a fifth-minute stoppage-time equaliser meant the spoils were shared.

WITHAM TOWN 0 ST ALBANS CITY 3

Emirate FA Cup - 2nd Qualifying Round
Saturday 19th September 2026 - Attendance: 311

St Albans City FC will travel to National League North side Harborough Town FC in the third round qualifying of the Emirates FA Cup following their 3-0 victory at Witham on Saturday.

The Saints claimed their spot in the draw courtesy of goals from Zak Sowden-Fletcher, Inih Effiong and Jake Gray.

The early lead was established by Sowden-Fletcher as he head home from an Alex Dyer delivered corner.

In the second half, Inih Effiong rather unconventionally slid home the second following Kai Browns looped cross from the left wing.

Jake Gray's third came only a minute after; Sam Ayolie picked up possession in the box, squared it to the number eight who fired low.

Manager Gary McCann was happy with his side's performance having expected a tough match.

He said: "In general, I thought we really put a good performance together, there was a lot of good in our play. We still tried to play when we could – we didn't take unnecessary risks.

"We've had three other glorious chances which we have to do better with... the longer

the game went on the edgier it got but I thought we saw the game out brilliantly and got the goals at the right time."

WELCOME TO

ST ALBANS

JAI-DEA MOULTON

St Albans City FC can confirm the loan signing of Watford academy midfielder, Jai-Dea Moulton.

The 18 year-old joined up with Gary McCann's side in this week's training ahead of Bury Town in the FA trophy.

Gary McCann has highlighted Jai-Dea's strengths; he's defensive minded and a great technician while being very robust and resilient.

The new signing has been training with the Hornet's first team ahead of his loan switch to Clarence Park.

A warm welcome to Jai-Dea Moulton and we look forward to seeing him in action this weekend vs Bury Town FC

TOBI AKINYIMIKA

St Albans City FC can confirm the addition of Watford academy midfielder Tobi Akinyimika on loan to the team.

Akinyimika joins as the second Watford loanee following teammate Jai-Dea Moulton earlier this month; two midfielders with different play styles.

Tobi Akinyimika is an attacking midfielder who prefers to play in the ten role, while Jae-Dea Moulton is more defensive and robust preferring to sit in a six/eight role. With 11 goals in the Watford U23s last season, Saints fans can expect some exciting forward play.

City fans can expect energy and stamina from the latest addition heading into the weekend's FA Trophy action.

CLUB HISTORY

Bury Town Football Club has a proud history stretching back to 1872, making it one of the oldest surviving football clubs in England. The club was founded by William Lake at a meeting at the Suffolk Hotel and was originally known as Bury St Edmunds FC, with royal blue and white chosen as its colours. In 1885, Bury Town became one of the founder members of the Suffolk County Football Association.

The club initially played at Kings Road, also known as the Cemetery Road ground, where it remained for many decades. Kings Road became the first football ground in East Anglia to have floodlights when Bury played Cambridge

City under lights in January 1953. The club's early history also featured Reginald de Courtney Welch, who played for Bury St Edmunds and was a member of the Wanderers side that won the inaugural FA Cup in 1872.

Bury became founder members of the Eastern Counties League in 1935 and went on to enjoy considerable success. The 1963-64 season remains one of the greatest in the club's history, as the Blues won the Eastern Counties League championship, League Cup and Suffolk Premier Cup to complete an impressive treble.

The club subsequently moved into the Metropolitan League, winning the championship in 1965-66 and again in 1968-69. That latter season also saw Bury reach the FA Cup First Round Proper. They held Bournemouth to a goalless draw at Kings Road before losing the replay 3-0.

In 1971, Bury joined the Southern League for the first time. The move represented an important step forward, although the club experienced difficulties and eventually returned to the Eastern Counties League.

Bury left their historic Kings Road home in 1976, playing their final match there against West Ham United in front of 1,750 spectators. After a difficult period without a permanent home, Ram Meadow opened in 1978, with Ipswich Town bringing the FA Cup trophy to the official opening. Ram Meadow subsequently became synonymous with Bury Town and remains an important part of the club's story.

The Blues continued to compete across the lower levels of the non-League pyramid before enjoying a significant period of progress during the 2000s. Promotion to the Isthmian League was

achieved in 2006, while the club produced an outstanding campaign in 2009-10, winning the Southern League Midland Division championship with 102 points.

Bury then spent five seasons in the Isthmian Premier Division, reaching the play-offs and winning the Isthmian League Cup in 2011-12. Further changes followed as the club competed in the Isthmian League North Division.

The 2024-25 season brought another significant chapter. After narrowly missing promotion the previous year, Bury secured promotion by defeating Brightlingsea Regent 1-0, with Ed Upson scoring a dramatic 93rd-minute winner.

With more than 150 years of history behind them, Bury Town continue to represent the footballing traditions of Suffolk. The Blues' long journey from Victorian football to the modern non-League game is built on resilience, community support and a proud record of competition across the English football pyramid.

COLLECTORS CORNER

GETTING TO KNOW

FRANKIE MUSONDA

We caught up with Frankie Musonda to open up his own Collectors Corner, finding out about their favourite collection, footballing memories and the stories behind the player.

- Did you ever collect football trading cards or stickers growing up? If not, what did you collect instead?

I collected match attacks. When you used to pack 5-star Shearer, Rooney, Drogba and Gerrard it was the best. I think it was back in 2005.

- Imagine you've just been given your own trading card. Pick three categories to rate yourself in – what are they, and what score out of 100 are you giving yourself?

Good question... Passing – 80, strength – 86, pace – 67.

- You can borrow one rating from any teammate to improve your trading card. Who are you picking, and which rating are you taking?

Mikey's agility. He is electric.

- If you were stranded on a desert island with two players in the squad, who would you choose?

I would go for Alex Dyer – he's sensible and knowledgeable. The other would be Sam Donkin – he's funny but also wise.

- Who is the biggest character in the dressing room?

Lewis Page

- Which teammate would be the best chef?

Alex Dyer

- What's your go-to song after a big 3-0 win?

Young Thug, lifestyle.

LEAGUE RESPECT STATEMENT

The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Statistics from www.footballwebpages.co.uk

A baseball player is shown from the back, looking over his right shoulder. He is wearing a white jersey with a subtle geometric pattern. The name "BROWN" and the number "19" are printed in large black letters on the back. The jersey has red piping on the collar and sleeves. He has a tattoo on his left arm. The background is dark and out of focus, suggesting a stadium at night.

SAINTS ACADEMY

The Academy has made an excellent start to the season, with our Under-18s securing a 2-1 victory over Hanwell Town in the FA Youth Cup under the lights at Clarence Park on Tuesday evening.

Our Pre-Academy programmes have also begun for Under-11 Boys, Under-13 Girls, and our Goalkeeper Performance Centre. These sessions complement the fantastic work delivered by grassroots coaches and clubs, offering an additional development opportunity for young players looking to further enhance their skills.

If you're interested in finding out more about any of these sessions as a coach, player or parent, please contact charlie.boswell@stalbanscityfc.com.
