McCANN'S MESSAGE

Good afternoon to all and welcome back to Clarence Park for today's league game against Welling United. After a week where we had three games in six days it was a challenge for all; I'm hoping that the lads feel well recovered going into this one. I expect the visitors to give us a stern test today, and we will need to be back at our best if we want to come away with anything. We all look forward to what should be an intense, closely contested game.

Last time we played here we took on Burgess Hill, in what was our first home game in the league in over a month. After a disappointing loss in the FA Trophy the previous game we needed something to get us back on track, and I thought we did really well to rally as a side and get three points. The game was end-to-end throughout, and I didn't think either side managed to fully gain control in the early stages. The two-goal lead by half time was about right in context. But in the second half we showed such fight and desire, even after going down to 10 men and conceding a penalty. This result showed how far the side has come since I took over, and 11 months ago we were losing games like this. I don't like to single out individual performances, but I thought all of the subs were brilliant and played a crucial role, entering a frantic game and getting us over the line. I would have to say that this win was one of that should make us all proud. A good performance and up there with one of our best results to date.

Moving into the weekend we played away twice in 3 days, once down on the south coast in Brighton against Whitehawk and once in Essex against Aveley. The schedule hasn't been particularly kind to us but this is the nature of football at this level, relentless. So, we have to be prepared for periods like this. We had a fantastic second half against Whitehawk and were far more clinical in front of goal, which made the difference for us in this game. I also must highlight a great hat-trick from Inih. He's the kind of player that centre halves must hate to play against.

Aveley was unfortunately far more disappointing; I haven't had to say that too often this season. The quality of our end product in the final third was lacking, and we didn't take

our chances when we were on top in the first half. And in classic fashion, we were punished for this in the second half. We gave away a sloppy freekick which led to conceding a cheap goal, giving them something to defend and hold on to, which they did. I said to the lads after the game that there are plenty of fixtures like this on the calendar, where we will go away from home to a side that will fight for every ball, and if we are going to come out on top, we will have to be better than we were against Aveley.

After a taxing week, we have sadly been hit with a couple of injuries to deal with. Kieran [Petrie] has faced another big setback after working really hard to be back training, and I would imagine he will be out for some more time now, so our thoughts are with him. I am hoping that the likes of Lewis and Frankie will be back with us in the next couple of weeks, but we don't want to rush anything, so decisions will be made game by game.

As I said before, I look forward to our reaction to defeat for this game today, which should be an entertaining clash for you all. They sit second in the table, and I have no doubt they will be a physically demanding side; we need to show a good account of ourselves after the loss on Monday. We are right up there in the standings as well, I think if we can play with the same quality we have shown over the last month or so then we will more than fine.

The fan base has been great lately so keep up the fantastic support. Enjoy the game.

Gary Mac

WHITEHAWK 1
ST ALBANS CITY 3

Isthmian League - Premier Division
Saturday 31st October 2026 - Attendance: 244

Inih Effiong's second half hat trick secured a 1-3 victory on the road at Whitehawk on Saturday.

St Albans City struggled to get going in the first period with Gary McCann admitting his side failed to find the right passes and take their chances; Whitehawk lead at the break one goal to the good.

However, when Kai Brown scored an offside goal minutes into the second half - the game flowed with one way traffic.

Inih Effiong brought City level with a reverse style header from a right sided cross; five minutes later, the number nine stole the lead after finishing a comfortable one-on-one scenario.

Effiong completed his hat trick just before full time when he rounded the host's keeper and finished from the acute angle - a nightmare second half for the Hawks for this Halloween fixture.

In his post-match interview on the club's social channels, Gary McCann highlighted the difference in his side for the second period.

He said: "We took our moments and were better in transitions; we were a little loose despite controlling the ball in the first half - we were off of it in regards to sustaining attacks

"We made a couple of adjustments, put Kai inside, doubled up with Inih and had a flat four in the midfield and it allowed us to be more aggressive.

"There are centre backs and defenders that don't want to play against him [inih Effiong]... goal two and goal three were really high-quality finishes... those three goals served us really well today."

AVELEY 1
ST ALBANS CITY 0

Isthmian League - Premier Division
Monday 2nd November 2026 - Attendance: 386

The Millers grabbed the only goal of the game as City fell to defeat on Monday night.

Gary McCann's side made four changes to the starting line-up, most notably with Inih Effiong dropping to the bench after scoring a hat-trick in the weekend's victory over Whitehawk; Jack James, Alex Dyer, Ollie Knight and Mikey Faulkner all returned to the starting eleven.

The Saints had the first major chance of the evening as Ollie Knight's low cross proved difficult for Kai Brown to control before falling to captain Zane Banton, whose effort was well blocked by a defender.

Just before the break, Sam Donkin made a low save, blocking an effort at the far post to ensure the game remained goalless heading into half-time.

Only minutes into the second half, The Millers grabbed the first and only goal of the evening; Alejandro Machado's long-range free-kick was drilled low, breaking through the wall and beating Sam Donkin in goal.

Shortly afterwards, the Saints had a chance to equalise when Darion Furlong attempted an audacious effort on the turn; his shot was blocked into the path of Alex Dyer, who struck the ball over the bar from the edge of the area.

Moments later, the Saints thought they had found an equaliser, but Zak Sowden-Fletcher's header was cleared off the line by the Miller's defence.

Despite five additional minutes, the Saints struggled to create further chances; Aveley came closer to doubling their lead with the last kick of the game.

The referee's final whistle confirmed a disappointing defeat away from home for the Saints.

The club would also like to thank the combined Sea Cadets, Royal Marines and Roland Hills our bugler who is playing the last post.

A wreath will be laid on the Centre Spot and fans are asked to observe a two minutes silence whilst the Last Post is played prior to the game.

CLASSIC CAMPAIGNS

Football historian LEIGH EDWARDS selects six post-war Welling United 'Classic Campaigns'

1986/87 - Welling United reached the FA Cup competition proper for the first time in 1986/87, taking Maidstone United to a replay in front of a then club record 2,100 crowd at Park View Road. The newly-promoted Wings began life in the Conference with a 3-1 defeat at home to Cheltenham and struggled after the loss of strikers David Smith and John Bartley to Gillingham and Maidstone respectively. A mini revival with just one defeat in nine matches saw Graham Hobbins voted 'Manager of the Month' in December. Leading scorer Gary Abbott gained England Semi-Pro recognition and Welling gained a reprieve with Nuneaton relegated instead due to ground difficulties.

1987/88 - Welling United progressed to the FA Cup second round for the first time in 1987/88. During this run, the Wings twice bettered their record gate, beating Carshalton Athletic 3-2 at Park View Road in the first round before losing 1-0 at home to Bath City. They won five of their opening nine Conference games but then slipped down the table and top scorer Gary Abbott joined Barnet for £15,000 in December. An improvement over the last two months of the season, including wins over Boston United, Macclesfield, Maidstone and Telford United, kept Welling clear of relegation danger and the final match at home to title-chasing Barnet attracted a 2,517 crowd.

1988/89 - Welling United reached the FA Cup third round for the first time in 1988/89. The Wings won 3-0 at home to Bromsgrove Rovers in the first round, then 3-2 at home to Bath City in a second round replay before losing 1-0 to Blackburn Rovers in front of 3,850 at Park View Road in the third round. They also reached the FA Trophy quarter-final for the first time that season, losing 1-0 at Macclesfield, as well as reaching the Kent Senior Cup final. Welling maintained a top half position in the Conference for the first time and even briefly posed a threat to the teams battling for the title until injuries and suspensions caught up with them during the closing weeks.

2011/12 - Welling United reached the Conference South play-off final in 2011/12. Jamie Day's side won seven of their first nine games, scoring 26 goals in the process, to emerge as early pace-setters. Leading marksman Andy Pugh grabbed a hat-trick in a 4-0 victory at home to Maidenhead and netted 16 times in 22 games before moving to Cambridge United in January. The Wings hammered Truro City 5-1 and lost just once at Park View Road in the Conference South, 1-0 to Eastleigh in their penultimate home match, qualifying for the play-offs in third place. They beat Sutton United 2-1 in the semi-finals but lost 1-0 to Dartford in the play-off final watched by 4,088.

2012/13 - Welling United won the Conference South title in 2012/13. The Wings were the only side in the Conference to remain unbeaten at home and only five clubs avoided defeat at Park View Road. Jamie Day's side gained 12 straight wins in mid-season and went top for the first time after a 2-0 win over Farnborough in February. They regained pole position with a 3-2 win at home to Maidenhead in early March and stayed there for the rest of the season, finishing four points ahead of runners-up Salisbury to return to the top level of non-League football after a 13 year absence. Welling lost 2-1 at home to eventual finalists Grimsby Town in the FA Trophy third round.

2018/19 - Welling United reached the Conference South play-off final for the second time in 2018/19. They won just two of their opening six matches under new manager Steve King before storming to a 5-0 win at Concord Rangers. Loanee Danny Mills scored twice in their 5-3 victory at home to Truro City in January and seven wins in a nine-match unbeaten run enabled the Wings to qualify for the Conference South play-offs in third place with 76 points. They gained a dramatic 3-2 victory at home to Chelmsford City in the semi-finals, with leading marksman Brendan Kiernan netting a 96th minute penalty winner, but lost 1-0 at Woking in the play-off final.

Delivering Excellence

WELCOME BACK TO CLARENCE PARK FOR ANOTHER CRUCIAL LEAGUE ENCOUNTER

First and foremost, I would like to extend a massive thank you to everyone who attended the Saints City Trust Annual General Meeting in the clubhouse on Thursday, 29th October.

It was fantastic to see so many dedicated members and supporters in attendance, lending their voices to the future of our football club.

The AGM provided a vital opportunity to review the past year, update everyone on our ongoing community initiatives, and map out the Trust's plans for the remainder of the 2026/27 season.

During the session, we reflected on the successful launch of our updated membership schemes and our social calendar, which continue to bridge the gap between the terraces and the club's leadership. The recent quiz night , for example, was an overwhelming success with over 55 supporters in attendance. It helped raise much needed finance for both Trust and parent club. We hope, the first of many.

A central theme of this year's review—and one that will guide our path forward—is the paramount importance of communication and honesty. As a democratic, independent supporters' body, our greatest strength lies in our transparency.

There have been some issues raised over the last few weeks by our supporters and we'll be looking to discuss those with the Board in the very near future, that said, running the club isn't easy and we're all on a learning curve. It's how we respond to shortcomings that is the important issue.

We believe that for our community to thrive, there must be a completely open channel of dialogue between the club, the Trust, and the fans. Honesty about our goals, our challenges, and our financial commitments ensures we remain pulling in the same direction.

We are committed to keeping you informed every step of the way, whether discussing stadium developments, matchday experiences, or community outreach.

So far this season we have rapidly created a positive, fresh look for the Trust and have built a foundation that will hold us in good stead going forward. Membership is up, communication remains solid and the welcome return of social events has provided a statement of intent in both application and progress. A Supporters' Trust is only as strong as its membership. To drive real influence, we need numbers, and we need your voice. Whether you are a lifelong regular at Clarence Park or a newcomer, your membership matters.

The away travel remains as popular as ever and a huge thank you to all those who continue to take advantage of the service. We will continue to offer away travel when we can throughout the season, so please keep an eye on posters around the ground and our social media platforms for all the latest information

Enjoy the game, get behind the players, and let's secure those three points today!

Come on you Saints

WOMEN'S MATCH REPORT

ST ALBANS CITY 2 ATLETICO LONDON 3

Eastern Region Women's Football League
Sunday 1st November 2026 - Attendance: N/A

St Albans City Women's and Girls' Day saw a record crowd for a women's match at Clarence Park, bringing over 450 attendees to the ground.

The Saints welcomed Atlético London, who sat top of the league entering the match, in the ERWFL, as City returned to Clarence Park on a Sunday for the first time since the opening day of the season.

Six changes were made to the Saints' starting XI following their defeat to Chelmsford City in the League Plate the previous week, with Grainne Kellett most notably returning to the starting eleven. Terri Harvey, Jess Burke, Frankie Webster, Sammy Edgar and goalkeeper Nicole Spittle also returned to the starting line-up.

Before the match began, we were incredibly grateful for the support of our food vendors, volunteers and youth teams from the Under-14s to Under-16s, who all helped make the day special.

Following a strong start, the visitors took the lead through Ammarah Ali, who slotted her effort past Nicole Spittle in goal.

Shortly afterwards, the Saints unexpectedly levelled the match with their first attack. A high press saw the ball fall into the path of Terri Harvey, whose chipped effort caught the goalkeeper off guard. The midfielder grabbed her second goal of the season to bring the Saints level heading into the break.

A strong start to the second half saw Atlético London grab two goals in quick succession through Rea Laudat Thomas-Arayo and Iesha Swaby.

Late in the match, Liv Martin provided a lifeline for the Saints, finding the back of the net from an Aimee O'Malley cross.

Despite late pressure in search of an equaliser, the Saints suffered another defeat. However, the scoreline didn't reflect what was a brilliant day off the field, as we celebrated our community throughout and broke the attendance record for a women's match at Clarence Park.

Many thanks to everyone who attended. Your support is greatly appreciated.

WOMEN'S

MATCH PREVIEW

The Saints return to Clarence Park this Sunday as they welcome Wroxham in the Eastern Region Women's Football League, looking to build on last week's record-breaking attendance and once again attract a fantastic crowd.

Currently bottom of the table, City face seventh-placed Wroxham as they continue their search for a first league victory at Clarence Park this season.

The Saints will be looking for revenge after suffering defeat in the reverse fixture in Norfolk. Despite a late strike from Amy Gunn, who found the net from the edge of the area, City were unable to rescue a point.

One player to keep an eye on this weekend is Olivia Martin, who comes into the fixture in excellent form. Having picked up back-to-back Player of the Match awards, Martin also grabbed a late header in last week's encounter to further underline her importance to the side.

City will be determined to get their season back on track and secure their first points since their away victory at Brentwood at the beginning of October.

Following last week's record attendance, the Saints will be hoping for another brilliant turnout at Clarence Park. Your support makes all the difference, so come down, get behind the girls and help cheer The Saints this Sunday!

Come on you Saints!
